# The Necromancer

Let the Author of  
"The Necromancer"  
give his views on:

- Were there really witches?
- What could have triggered the mass hysteria and mass hallucinations?
- Can this happen again?
- Were people really demonically possessed?
- What is Astral Projection?
- Are ghosts real?
- What role did the church play in the Salem Trials and how is this reflected in "The Necromancer"?
- Why are people still interested in the Salem Trials three centuries after the fact?

## Modern Science Gives New Explanations for Salem Witch Trials

Three centuries have passed since the events of the Salem Trials yet public interest in the mysterious events surrounding the mass hysteria of 1692, which resulted in the death of no less than 20 people, continues strongly with the release of "The Necromancer."

More than a spine chilling horror author, Kevin Dunn offers a beautiful fusion of historic remembrance, socio-religious perspective and psychological exploration of human duality.

A lively radio guest, Kevin will be all too happy to share the inside scoop on the historical backdrop of the trials to the fantastical world of the occult.

Exploring contemporary scientific theories that can explain many mysterious aspects surrounding the Salem Witch Trials makes for a very powerful interview with a very interesting author. Let your listeners discover the line between fact and fable.

Though a debut novel-

Kevin Dunn author of "The Necromancer"

ist, Kevin Dunn is an English graduate from CUNY Queens College, Flushing NY, and has always loved to write; from poetry to screen plays, essays, reviews and all kinds of fiction.

### Reviews:

"[The] author's insights into the human soul and the low resistance of most people to foolishness and iniquity [is] very enlightening."

~ **Reader Views**

"What a fantastic story, told by a master storyteller! -- this book is enough to give H.P. Lovecraft nightmares!"

★★★★★ [5 of 5 Stars!]

"The action is always there and just when you think the climax is over... the suspense rises again .... Brilliant read."
